

# BECKER ESV STRUT LIMO

## The First Luxury ESV Conversion with Full Strut® Package

Becker® Denali & Cadillac ESV Limousines offer you an unmatched blend of privacy, European luxury interior craftsmanship, cutting edge mobile office work capabilities and stupendous electronic entertainment systems.

While the Cadillac dazzles as the ultimate in American automotive exterior fashion design, its twin, the GMC Denali XL delivers an external presence of low key stealth and tasteful prudence. Both offer identical choices for your creation of personalized Becker interior amenities.

*"Becker's Cadillac Escalade ESV caters to comfort and productivity"*

-Robb Report, Collection 2008

STRUT Wear. "Jewelry collections for your car." From mesh grilles, wheels, to custom bumpers and emblems, STRUT rises above the car clutter and gives every car a personality, a unique voice on the road that speaks to all who see it.

Combining elegance, beauty and precision, STRUT automotive collections bring unequivocal excellence to your luxury vehicle.

STRUT products will withstand any condition, providing ongoing luster and superior appearance. Establish your own style with the mark of distinction and quality.
